To Move Or Not To Move 2 Grades To Pahokee Is Question

Parents of Canal Point school children met in the local school auditorium in a large number Tuesday night and in no uncertain terms told county school officials that the seventh and eighth grades should remain in Canal Point instead of being moved to Pahokee this fall.

County school officials present for the confab were School Superintendent John Martin, Assistant Supt. Clyde Harris, Board Member Louis Bills, who represents this immediate district on the county school board, Board member Milton Carpenter of Belle Glade and Board Member-elect James Williams of Belle Glade. Stanley Hooks, president of the Canal Point PTA was the official representative and spokesman for the local group.

Local patrons of the school were strong in their determination that the grades should not be moved as proposed by the state and already inaugurated by the county school board. Following an hour's discussion it was decided by the officials that they would "study" the problem at the next board meeting and entertain a delegation from the school at a following board meeting.

Although growth has not been rapid in the Canal Point School the past two school years, there has been an increase in the elementary grades of from 121 to 169. This year closed with 84 in the first grade. Indications are that next year, with slight growth, will require two first grade teachers. It is possible the 84 pupils going into grade 2 will also need additional teacher help if pupil growth occurs.

The Canal Point School has eight classrooms, six have been occupied by grades 1 through 6 and two by grades 7 and 8. Additional teachers cannot be added unless more classrooms are provided. Junior high school space is available without construction at Pahokee. From this standpoint and from the standpoint of the recommendation of the State Department of Education Survey, the 7th and 8th grades should be moved this fall to Pahokee according to Mr. Harris.

Pahokee Junior-Senior High has shown a growth the past 2 years of 15 pupils, going from 440 the fall of 1962 to 455 this June of 1964. The Junior High part of these figures over this period of time is an increase of 5 pupils, going from 246 to 251. The State Department of Education Survey shows the Pahokee Junior-Senior High School with a desirable capacity of 580 pupils, Mr. Harris pointed out.

The peak number of pupils of the past 2 years, 473, leaves ample space for 107 additional children. There will be ample room for the 25 grade 7 pupils and 32 grade 8, total 57 to 60 pupils to transfer from the Canal Point School to the Pahokee Junior-Senior High School.

According to the 1960 State Survey, Canal Point is classified as C-1 for grades 1-6 and C-5 for

grades 7-8. Pupils in grades 1-6 in excess of desirable capacity should be transferred to Pahokee Elementary as soon as facilities are available; pupils in grades 7-8 should be transferred to Pahokee Junior-Senior High School. (C-5 center is one which should be closed in the immediate future. No capital outlay expenditures from Foundation Program Funds can be authorized for such centers.)

The final finding of the State Survey shows the Canal Point plant and facilities are adequate to serve the educational needs of children in grades 1-6 for many years.

Summer Program Canal Point School

The Canal Point School is taking part in the Palm Beach County Board of Public Instruction Summer Enrichment program. There are 109 children enrolled in the program at this time. In the Arts and Crafts department children have been busy making bread trays, book ends and the girls are now in the process of making bags.

The sports division consists of soft ball, dodge ball and bowling. The latest bowling tournament was won by Alice Valliere.

The children are busy now with tests for the Amateur Athletic Union of the United States which is a physical fitness and proficiency standard for each age group. In the games division, Joann Mims won the checker tournament.

The doors of the school are open from 8:30 a. m. till 12:00 p. m. each morning and from 1:00 p. m. till 4:00 p. m. each afternoon. Parents and children are urged to take part in this program.

Fair Group Keeps Tampa On Probation

GAINESVILLE—The State Department of Agriculture's Fair and Livestock Show Committee has again refused to reinstate the Florida State Fair at Tampa and the Greater Jacksonville Agricultural and Industrial Show for the 1964-65 season.

The two fairs, along with others at Ft. Myers, Sanford and Largo, were placed on "probation" earlier for alleged violations of the state anti-gambling code.

Florida State Fair Manager M. E. Tweedell made an impassioned plea "for removal of the cloud over both the fair and directors" of the winter exposition. But it was to no avail.

Approved for a permit was the Highlands County Fair in Sebring. But the fair will be asked to exercise closer control over the operation of concessions.

Wallace Jaudon of Tampa returned to his home recently after being the guest of his sister and brother-in-law, Mr. and Mrs. Wiley Tillis.

Palm Beach County School Salaries In Fifth Place

TALLAHASSEE—Dade, Broward and Pinellas counties pay the higher average salaries to school teachers and principals, statistics released by the State Department of Education disclosed Tuesday.

The average salary in Dade, highest in the state, is \$6,615, followed by Broward \$6,221 and Pinellas \$6,152.

The figures are for the 1962-63 school year, last year for which the county-by-county comparison is available.

Collier is in fourth place at \$5,768 and Palm Beach fifth with an average pay of \$5,752.

This compares with the national average salary of instructional staff in 1963-64, according to the National Education Association's research division, of \$6,164. The NEA said Florida's average in the same year was \$6,100, highest in the southeast but 21st in the nation.

Dunkelmans Go To New Houma Home

Preston H. Dunkelman, Senior Research Agronomist and popular sugarcane breeder for the USDA Sugarcane Field Station at Canal Point for the past 7 years, has transferred his headquarters station to Houma, Louisiana. He is assigned to the sugarcane seedling program there using hybrid seed produced at the Canal Point Station.

Prior to 1957, Mr. Dunkelman was on the research staff of Louisiana State University where his work was sugarcane breeding and seedling studies. From 1948 to 1956 he represented LSU as a cooperating agency at the Canal Point station where he spent 4 to 6 weeks each year with the sugarcane breeding activities at this station. He was familiar with the program when he came here to serve as the sugarcane breeder.

Breeding is done here to produce hybrid sugarcane seeds for Louisiana, Georgia, and Mississippi as well as for the Florida sugar industry. During his 7 years at Canal Point, his studies and efforts not only enabled the station to produce record quantities of hybrid seeds but also contributed to improved facilities and techniques of sugarcane breeding.

Mr. Dunkelman and his wife, Rose, and 5 children, Elfrieda 11, John 10, William 9, Sam 8, Mary 7, were at 1797 East Main Street during their several years residence in Florida. They moved to Louisiana last week to a new home that they recently purchased at 7 Waco Drive in Houma.

Mr. Dunkelman will be returning to Canal Point occasionally on temporary duty to assist in the breeding program. His successor is expected to be named soon, according to Dr. Leo P. Hebert, Superintendent.

J. W. 'Jimmy' Vann Is Chosen Pahokee Citizen Of The Year

"Bon Voyage" Party For Two Travelers

The home of Mrs. Mae Laflin was the scene of a "Bon Voyage" luncheon, Saturday, honoring Mrs. W. M. DuBose and Mrs. Robert Douthit who will leave today for a trip to the Holy Land with the Hal Hunter Christian Ambassador Tour. Hostesses with Mrs. Laflin were Mrs. Elsie Sims and Mrs. Kyle Scott. A travel motif was used and guests presented the honorees with leather passport cases. There were 20 guests present to wish the Mrs. DuBose and Mrs. Douthit a "Bon Voyage."

Social Security Aid To Veterans

L. V. McClelland, Glades Veteran Service Officer said today that a little known aspect of the social security law is the use of military credits.

When a veteran who has had military service between September 16, 1940 and December 30, 1956, retires, dies or becomes disabled, he may receive credit of \$160.00 per month wages for each month of such military service.

This military credit does not automatically appear on the individual's earnings record and can be established only at the time a claim is filed. This little known aspect, McClelland said, of the social security law has helped many veterans to become entitled to social security benefits.

Beginning January 1, 1957, all military personnel were brought under the law and deductions are being made from their pay.

Veterans and their families should be aware of these provisions. In order to receive these credits, a veteran or his supervisor must present, at the time of filing a claim, proof of military service. The most acceptable proof to present to the social security office is a discharge certificate or other official documents showing the period of military service.

Schroders Return From Vacation

Mr. and Mrs. R. J. Schroder returned Tuesday from their vacation at which time they visited their niece and nephew, Mr. and Mrs. Oscar Senn and family, at King of Prussia, Penn., and their niece and nephew, Mr. and Mrs. J. G. Naples and family, and Mrs. Ester Tiffin at Plainsville, N. J., after which they attended the World's Fair in New York.

On the return trip they were the guests of their nephew and niece, Mr. and Mrs. George M. Schroder, at North Hampton, Mass., and were accompanied home by their great nephew, George Schroder, who plans to spend some time in Florida this summer.

The Ralph Stanley Memorial Award, given annually by the Pahokee Lions Club for the "Most outstanding citizen" went to a well deserving civic worker Tuesday night at the annual installation of officers banquet, when J. W. "Jimmy" Vann was so honored. Mr. Vann is executive director of the Pahokee Housing Authority and one of the hardest working members of the Lions Club organization.

The new president, Glen Brower, took up the gavel for the new year, succeeding A. J. Gamot who was in France at the time of the installation ceremony. A cable from him wished the club a good year.

During the dinner meeting at which wives of members were guests, 25-year pins for perfect attendance were presented Curtis Chase and D. W. Cunningham. Honored for not missing a meeting for 20 years was Leon Spooner and M. I. Keen.

A 10-year award was made to Brooks Henderson.

Pins were given to Mayor Duncan Padgett, Keen, R. J. Schroder, Paul Tillery, Frank Tillis and Vann for not missing a meeting during the last year.

Other new officers taking over with Brower included: George Rashley, first vice president, Harry B. Elarbee, second vice president; J. S. Atkins, third vice president; R. J. Schroder, secretary, and Vann, treasurer.

J. D. Douglas, lion tamer; Lewis Collins, tail twister, and Dr. R. L. Hatton, two-year director.

Democrats Will Caucus In Tampa

TAMPA—The 1964 Democratic Caucus of the Florida House of Representatives will be held in Tampa October 1-3, it has been announced by House Speaker Malory E. Horne. Headquarters will be the Hotel Tampa Terrace and the Sheraton Tampa Motor Inn.

Also invited to attend the meeting are members of the Florida Senate, the Congressional delegation, Democratic gubernatorial nominee Haydon Burns, Gov. Farris Bryant, members of the cabinet and little cabinet and state supreme court justices.

Chairman of the caucus will be Tampa attorney Sam Bucklew. Serving as co-chairman will be Louis Swed and Jack Peebles.

Top order of business during the meeting will be the selection of the House Speaker for the 1965 session of the Legislature.

TO WORLD'S FAIR
Mr. and Mrs. Lloyd Hundley and sons, Wayne and John, and Miss Patsy Keene, left Monday, June 22 for a three weeks' visit to the World's Fair in New York and Washington, D. C.

Mr. and Mrs. Prentice Turbeville and Terry recently returned from a visit with relatives in Dublin, Ga.

Witnesses Will Go To Convention

Miles Crum, of Belle Glade, presiding minister of the Belle Glade, East Unit, Congregation of Jehovah's Witnesses, said today plans have been completed for the forthcoming 4-day district convention scheduled in Jacksonville, Fla., July 9-12.

Convention officials have estimated that 13,000 persons from Florida and Georgia as well as 21 other states, Canada, Puerto Rico and the Bahamas are expected to attend. The convention is one of 37 that are being sponsored by the Watchtower Bible and Tract Society and the Jacksonville Congregations of Jehovah's Witnesses.

Mr. Crum said all members of the congregation are invited to attend the convention, including children. The program is designed to aid the entire family in beneficial study of God's Word the Bible and be able to better perform Christian service in their home congregations.

It is expected that the J. H. Stephens family, Fred Flanders

family, and Nancy Geiger and family of Pahokee will attend along with two or three families from the Belle Glade area.

The sessions on Friday will feature a discourse on baptism and its meaning, followed by immersion at a local pool.

Mr. and Mrs. Lewis Hayes announce the birth of a daughter, Vivian Mari, born June 22.

Mr. and Mrs. Gary Dean Lynn announce the birth of a daughter, Linda Deedra, born June 27.

Mr. and Mrs. George W. Harris, Jr., announce the birth of a son, born June 28.

Mr. and Mrs. Gary Don Reynolds announce the birth of a son, born June 29.

Florida Charge At Fair Rapped

LAKELAND—The Florida Citrus Commission has taken exception to a proposal by the Florida World's Fair Authority that an admission fee be charged to the state's pavilion at the New York World's Fair.

The authority proposal was protested in a telegram from the commission to Gov. Farris Bryant and to members of the Florida World's Fair Authority.

Commission General Manager Homer E. Hooks said the authority indicated an admission fee of 25 cents would be charged for entrance to the exhibit building. Authority President Comer J. Kimball had pointed out that the decision to charge admission was reached after analysis of the experience of the Hawaiian exhibit in the same area, where an admission charge has had no apparent adverse effect on traffic.

"It is hard for us to understand how attendance can be increased by charging admission when it was previously free," Hooks reflected.

Miss Baxter Named Woman Of Year

Miss Myra Baxter, daughter of Mrs. Bessie Baxter and Haywood Baxter, was elected Woman of the Year of the American Business Women's Association Wednesday, June 24, at Fort Myers Country Club. Now club president, she has served as corresponding secretary, vice president, bulletin and scrapbook chairman. Miss Baxter was a panelist on the scholarship committee at the Southeastern District convention recently in Asheville, N. C. Miss Baxter, a former resident of Pahokee, now resides at the home of her sister and brother-in-law, Mr. and Mrs. John Oglet in Ft. Myers.

A message from the Treasury of a free people

How to speak out for freedom today

Free men have never gone in much for silence. Even before the first thirteen States became United States, men were speaking for freedom loud and clear.

Today Americans speak out for freedom many ways—in Congress, in local government, in neighborhood activities. Some speak out for freedom in other languages, in other lands. And millions of Americans speak out for freedom every time they buy U.S. Savings Bonds.

Every Savings Bond you buy is an investment in freedom. While you're saving money for your

own family's future, you're helping Uncle Sam tend to the business of keeping men free today.

Perhaps you don't speak out for freedom in the same tone of voice when you buy a Bond as Patrick Henry did in his famous speech. But you speak every bit as surely. And every bit as proudly.

Why not speak out for freedom now? Buy Bonds at the bank or on the Payroll Savings Plan where you work.

Keep freedom in your future with

New $3\frac{3}{4}\%$ interest on U.S. Savings Bonds

The Treasury explains why the new ones you buy and the ones you own now are better than ever

Q: How does the new $3\frac{3}{4}\%$ interest rate benefit me?

A: With Series E Bonds, the rate turns \$18.75 into \$25.00 fourteen months faster than the old rate. Your savings increase faster, because your Bonds mature in just 7 years, 9 months.

With Series H Bonds, the 10-year maturity period stays the same but more interest is paid you each six months. With both E and H Bonds the new rate works out to $2\frac{1}{4}\%$ for the first year and a half; then a guaranteed 4% each year to maturity.

Q: When did the new rate become effective?

A: June 1, 1959.

Q: Does the new rate change the Bonds I bought before June 1, 1959?

A: All older E and H Bonds pay more now—an extra $\frac{1}{4}\%$ from now on, when held to maturity. The increase takes effect in the first full interest period after June 1.

Q: Will the Bonds I own automatically earn their new rate?

A: Yes. You don't need to do a thing—just hold on to your Bonds.

Q: When my E Bonds mature, will they keep on earning interest?

A: Yes. An automatic 10-year extension privilege went into effect along with the new interest rate. This means your E Bonds will automatically keep earning interest after maturity.

Q: With the new interest rate, should I cash in my old Bonds and buy new ones?

A: No. The automatic $\frac{1}{4}\%$ increase makes it unnecessary—and in almost every case it is to your advantage to retain your present Bonds.

Q: How are series H Bonds different from series E Bonds?

A: The chief difference is this: You buy H Bonds at full face value and the interest is paid by Treasury

check every six months for the life of the Bond. You buy E Bonds at 75% of face value and the interest accumulates to maturity. H Bonds provide income for living expenses, while E Bonds build a nest egg for the future. That's why many retired people hold H Bonds and families saving for, say, a child's education, buy E Bonds.

Q: In what denominations can I buy series E and series H Bonds?

A: E Bonds: \$25 (cost \$18.75), \$50 (cost \$37.50), \$100 (cost \$75.00), \$200 (cost \$150.00), \$500 (cost \$375.00), \$1,000 (cost \$750.00), \$10,000 (cost \$7,500.00).

H Bonds: \$500, \$1,000, \$5,000 and \$10,000. They are priced at face value.

Q: How safe are U.S. Savings Bonds?

A: Savings Bonds are an absolutely riskless way to save. The United States Government guarantees the cash value of your Bonds will not drop, that it can only grow.

Q: What if my Bonds should be lost, stolen or destroyed?

A: You can't lose. Every Bond purchased is recorded by the Treasury. If anything happens to your Bonds they are replaced—free.

Q: Where can I buy Bonds?

A: Buy E Bonds at any bank—it takes only a few minutes. Buy them automatically through the Payroll Savings Plan where you work. This Plan means you can have any amount you name automatically deducted every payday. The Bonds you buy by installments are delivered to you automatically, too. Your bank will take your order for H Bonds.

Q: How do I help strengthen America's peace power when I buy U.S. Savings Bonds?

A: Peace costs money—money for military strength and for science. And money saved by individuals helps keep our economy sound.

YOU SAVE MORE THAN MONEY WITH U. S. SAVINGS BONDS

Christian Science Group Of Canal Point

Modern man's need for a new
 an greater understanding of Deity
 will be explored at Christian Sci-
 ence churches, Sunday, in a Bible
 Lesson-Sermon entitled "God."
 "It is our ignorance of God, the
 divine Principle, which produces
 apparent discord, and the right un-
 derstanding of Him restores harm-
 ony"—this is one of the references
 which will be read from "Science
 and Health with Key to the Scrip-
 tures" by Mary Baker Eddy (p.
 390).
 The Golden Text is from Ha-
 bakkuk: "The earth shall be filled
 with the knowledge of the glory of
 the Lord, as the waters cover the
 sea."
 Mrs. Ida Larrimore of Talla-
 hassee is the guest of Mr. and Mrs.
 Carl Davis and her grandson,
 David Larrimore.

Maxsons To Move To Boca Raton

Mr. and Mrs. Bob Maxson are
 making plans to move to Boca Ra-
 ton in the next few weeks where
 he will hold the position of head
 basketball and "B" team football
 coach and teach American history.
 Coach Maxson has devoted the
 past seven years to the youth of
 Pahokee High School where he was
 head basketball coach and back-
 field football coach. He also taught
 Social Studies.

Many New Hotels Open In Florida

TALLAHASSEE — Hotel and
 Restaurant Commissioner Robert
 Riedel has reported 1,025 operating
 licenses were issued to new facil-
 ities during May by the state
 agency.
 Riedel said 489 of the licenses
 went to the public lodging estab-
 lishments and 536 to food service
 operations. He said that as of Jan.
 1, 1964, there were 60,475 licenses
 in effect in Florida.

After Vacation Do You Plan To Build?

Right now, of course, folks in the Glades
 are thinking about vacations. With
 school out, crops harvested, every-
 thing points to a few weeks of rest and
 recreation. Glades folks are entitled to
 that after a busy season.

However, following vacation should you
 be interested in building a new home,
 you will do well to visit Everglades
 Federal. Here you will find helpful
 folks when it comes to arranging a
 loan. Stop in at our office in Belle Glade
 or Pahokee. You'll be glad you did.

Cape Coral Holds Own Beauty Contest

CAPE CORAL—Carole Hale, a University of Miami senior who finished second last year, was crowned Miss Florida World of 1964 recently at Cape Coral.

The 21-year-old beauty topped 19 other contestants in the competition to represent Florida in Detroit in August for the Miss USA crown.

Miss USA will join the Miss World pageant in London. The poolside coronation at the Cape Coral Yacht and Racquet Club climaxed the three-day pageant. The contestants paraded in bathing suits, evening gowns and answered questions to demonstrate poise and personality.

RETURNS TO GEORGIA

James L. Deal of Statesboro, Ga., arrived at the home of his father and mother-in-law, Mr. and Mrs. B. C. Sims, Wednesday and was accompanied home by his wife and children Friday. Mrs. Deal has been the guest of her mother for several weeks while her father was a patient at Everglades Memorial hospital. Mr. Sims is now recuperating at his home.

RETURN TO GEORGIA

Mr. and Mrs. E. B. Gamble left Friday for a vacation in Georgia and Louisiana. They were joined by their son, Danny, in Deland where he has been attending basketball school at Stetson University.

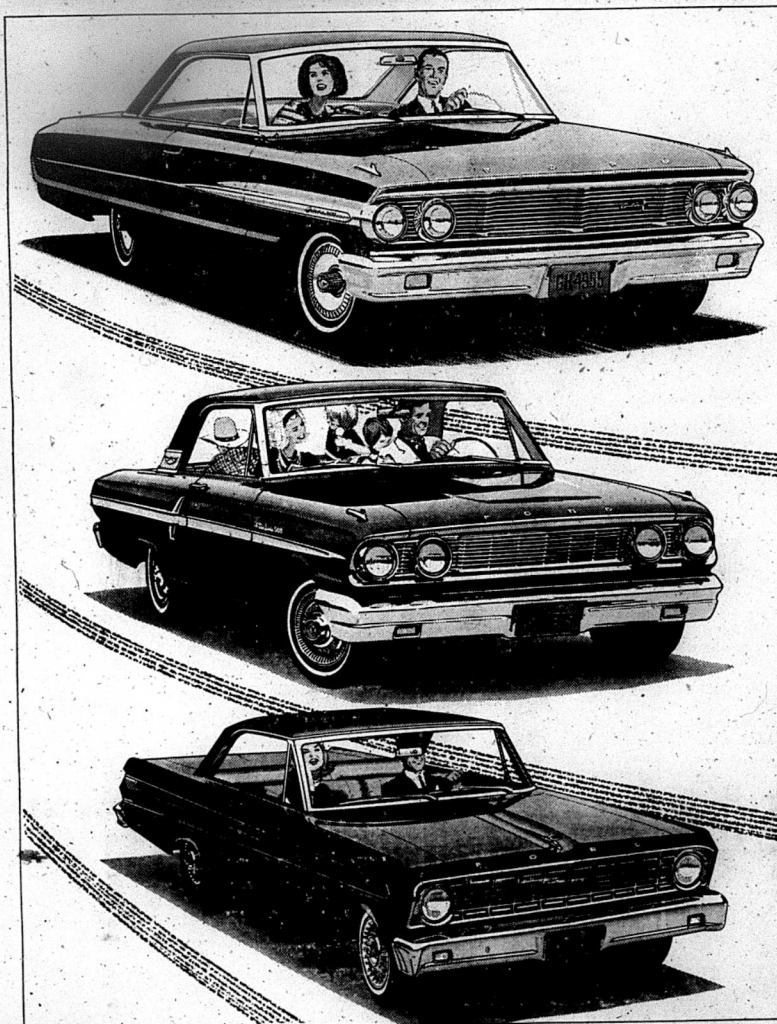

Mrs. J. H. Bordeaux was able to return to her home after being a patient at Everglades Memorial hospital.

GEORGIA VISITORS

Mr. and Mrs. O. H. Chastain and sons Johnny, Steve and Philip of Thomasville, Ga., were the overnight guests of her parents, Mr. and Mrs. J. H. Bordeaux enroute to visit their daughter and son-in-law, Mr. and Mrs. Ulmer, at Clearwater.

Mrs. H. F. Meade has returned to her home following surgery at the local hospital.
